Why?

Often, as we travel, we are asked why we do the ministry we do? The answer for us is simple - "Because God called us to do it."

We spend time often reminding ourselves why we do this, and who we sing for. In fact, it is our mission to never forget that we sing for an audience of "one", and that nothing that comes from our ministry comes from us but is a blessing from the Father!

This week, we saw a rededication, several life changing decisions, and a chart topping attendance at one of our churches. As much as we'd like to think we had something to do with that, we know that it was all God, and we just happened to be the instruments he chose to use. Just like the fish that Jesus

chose to pay his taxes for Him, we are only the instruments of His bidding.

As a part time woodworking enthusiast, I have learned a few things about tools. Here

are a few.

1. Always use the right tool for the job. The right tool always makes a job easier to do. God wants this same thing. He's looking for the right tools to do the job He needs

done. We should never be jealous or defensive when God uses someone else to complete a task. He's just using the right tool.

2. Make sure your tools are sharp! A dull tool can be used, but is far less effective than a sharp one and many times can be dangerous. God wants His tools to be sharp, too. Study to show yourself to be an effective tool.

3. Just because a tool is more expensive doesn't make it more effective. Many times the same job can be accomplished without

spending more money. "Little is much, when God is in it". Very encouraging words for struggling churches and music groups!

Learn to be a tool that God can use, because He has called you to it!

Prayer Requests

- *Healing - Pray for Alan as he recovers from some dental surgery that became very necessary.*
- *Ministry partners: we have an opportunity for folks to partner with us through monthly contributions. This is a tax exemption, and would help us to carry the gospel even further. If you can help in this way, please contact us by phone or email. Please pray with us about your part in One Voice Ministries.*
- *Opportunity - We are blessed to have more concerts this year than ever before, but there is still lots of room for more. We have need of a couple in May. If you have an opportunity for us, please feel free to share!*

LYRICS!

The chimes of Time ring out the news
Another day is through
Someone slipped and fell
Was that someone you
You may have longed for added strength
Your courage to renew
Do not be disheartened
For I bring hope to you

Chorus:

It is no secret what God can do
What He's done for others
He will do for you

It Is No Secret (what God can do)

With arms wide open
He'll pardon you
It is no secret what God can do

There is no night for in His Light
You'll never walk alone
Always feel at home
Wherever you may roam
No evil power can conquer you
While God is on your side
Just take Him at His promise
Don't run away and hide
